INNOVATION USING GENESIS FUSION T2 TECHNOLOGY

The first 4" recessed can potlight fixtures that can replace an MR16. Using our patented **GENESIS FUSION** bulbs, we've created the smallest, brightest, most innovative CFL fixture that is light years ahead of any other. Finally, an energy efficient replacement for MR16 fixtures. At 13 W, these bulbs produce a 60 W flood light.

TECHNOLOGY

Rated Voltage	120V
Operating Wattage	13 W
Rated Current	220mA
Operating Frequency	$\geq 40\text{KHz}$
Rated Luminous Flux	300LM
Initial Luminous Flux	$\geq 270\text{LM}$

Colour Temperature	3000K
CRI	≥ 80
Rated Average Lifetime	10000
Min. starting temp	0°C
Max. operating temp	40°C
