

COVERED CFL

EDGE-B10/9W

EDGE-G25/10W
EDGE-G25/15W

EDGE-A19/13W

CFL technology has advanced dramatically in recent years to produce light that is warm and inviting. Our new line of EDGE Covered Decorative CFL lamps provide an economical energy savings option that reduce operating costs without sacrificing the light quality provided by inefficient incandescent technology.

“ These Energy Star rated, feature packed Covered CFL's provide the ultimate blend of performance, reliability and affordability for any decorative lighting application. ”

Edge compact Decorative CFLs are ideal for commercial or residential applications and assist in greatly reducing both energy consumption and operating costs, while providing a beautiful, clean light without flickering, in the same classic shapes. Whether you're installing a candelabra in a dining room chandelier or designing ambient lighting for hospitality applications, Edge lamps are the brilliant choice!
