

## NEW EDGE - R

When it comes to lighting up an office, retail store or home, the new Edge "R" series bulbs represent the ideal choice for budget conscious consumers who do not wish to sacrifice quality and performance.

“ **Energy Star\* rated Edge lamps offer the performance, features and cost savings of a high end bulb at a fraction of the cost.** ”

These lamps provide the same soft, pleasing colour and light output of incandescent bulbs while significantly reducing energy output and maintenance costs, at a fraction of the cost of traditional CFL Solutions. Install one of our solutions and enjoy terrific flicker free, high quality output, and maintenance free for years to come.

\*Not all models are Energy Star rated. Please see chart below for complete list of available Energy Star Bulbs.
